## Product/Installation Notes

Undermount basins are not compatible with this cabinet. Please note that certain vanity combinations are not compatible or configurable with each other when it comes to installation. Customers are responsible for verifying all specifications and measurements of product selections are compatible before ordering, including cabinetry, vanity tops, basins, custom basin positions, tap holes, plumbing, wastes, and related fittings.

We aim to ensure that specifications are correct at the time of publication. All measurements are shown in millimetres. Always use measurements of actual product received for final specification as the technical drawing may contain differences. Please note this product may have a visible printed FIENZA or Watermark logo. Due to printing limitations, physical colour may vary from the image shown. FIENZA reserves the right to make modifications without prior notice.
